VICTORY SERVICES CLUB

## Regimental Dining at the VSC

For more than 100 years we have supported the Armed Forces and their families. We are the Victory Services Club; the all-ranks, tri-service, London based Club. We are the perfect venue to host your military reunion, regimental dinner, and post investiture celebrations and offer a wealth of military history and hospitality within the walls of the VSC.

Our largest function room the Carisbrooke Hall features a 50sq panoramic projection screen, stage, balcony, private entrance and private bar. The room can hold up to 200 for a regimental dinner or reunion. We also have 7 other event rooms taking from 2 to 150 guests.

As you would expect with a military club we pride ourselves on our precision and are very proud to be the first London venue to be awarded the AIM Gold Standard Award for "Accredited in Meetings".

We know how important it is to get great value for your military event and we have designed 3 packages which include room hire, food, drinks and VAT to ensure you get the best value possible.

We look forward to you reuniting at the VSC and enjoying the "Warmest Welcome in the Armed Forces Community"
