

Advance Bedroom Voucher Offer

Terms and Conditions

A limited number of bedrooms are available to be sold under this scheme. Once that allocation has been booked no other bedrooms will be added to the scheme. Payments are non-refundable, however they can be transferred to another named individual and used under the Club's unaccompanied guest scheme. In accordance with Club Rules, the sponsoring member will be responsible for their guest. Under the unaccompanied guest scheme the vouchers can be purchased and gifted to family and friends. The vouchers must be bought by 31st March 2021 and used before 1st September 2021. The Club's single en suite and Family bedrooms are not available under this scheme. Should there be an extension to the current lockdown after 2nd December 2020, the equivalent length of the lockdown extension would be added back to extend the booking period, thus providing members the opportunity to redeem their purchase. Terms would be subject to change; the vouchers have no cash value and cannot be used alongside any other offers. Each member may purchase 10 vouchers per month, benefiting from 10 reduced nights each month.
