

## **The Role**

### Multi-Skilled Day Technician

An exciting opportunity has arisen for an experienced Multi Skilled Technician to join our busy Facilities department. You will be required to complete maintenance work within the Club, being skilled in 3 trades or more. As a key member of the Facilities maintenance team you will need to be experienced in several skills such as plastering, plumbing, ceramic tiling, floor laying and carpentry skills (to include lock changes). This will be for complete replacements and repairs and general building repairs.

### **Main Duties**

- Follow all company policies and procedures, report accidents, injuries, and unsafe work conditions to your line Manager.
- Develop and maintain positive relationship with others
- Perform other reasonable job duties as requested by the Manager.
- Check Door lock and Handle fitting
- Painting and decorating
- Hands-on experience in repairing walls, fixtures and fixing minor plumbing leaks
- Basic full kitchen cabinet installation, including kitchen sink plumbing.
- Hands – on experience in repairing and installing electrical sockets and switches
- Experience in the installation of networking cables (cat5, 5e, 6) to wall plate
- Hanging of flat screen TV and PC monitor to wall.
- Professional painting skills including wall edges and ceilings
- Basic tiles repair including use of tile cutter and grouting in bathrooms and showers

### **Responsibilities**

- Monitor and maintain internal and external plant, fixtures, and fittings within guest rooms, back of house, public areas and kitchens
- Performing planned preventative maintenance as set out on the daily schedule
- Responding to guests needs as soon as possible
- Liaising and working with external contractors.
- At least 2 years as a maintenance person in a 3 star or 4-star hotel or apartment hotel.
- Covering shifts, working 5 days from 7.

### **What is in it for you**

Salary (what is galin on?)

We have an exceptional working environment and offer excellent benefits to the successful candidate.

1. Learning & Development Programmes
2. 'Perkbox' Rewards - discounts on shopping, entertainment, gifts, technology, fitness & much more!
3. Travel Ticket Loan
4. Recommend a Friend Scheme
5. Pension plan
6. Complimentary employee canteen food
7. Company Sick Pay (after 1 year)
8. An Employee Assistance Programme
9. Flexibility at work
