

RESPIRE AND WELFARE BREAKS

VSC RESPITE AND WELFARE BREAKS

The Respite and Welfare Break scheme is run by the Victory Services Club (VSC) to support members of the UK Armed Forces.

The scheme delivers one of the Club's long-standing charitable objectives which is to relieve need, hardship or distress among personnel of all ranks. It is administered and funded exclusively by the VSC and provides a two-night break at the Club (including breakfast, lunch and dinner at the Club and tickets for a top London attraction). These breaks are designed primarily to give wounded or injured serving personnel or those who have encountered a significant welfare issue a welcome change of routine and scenery in the Capital, away from their home.

The Trustees and staff of the VSC regard these breaks as a top priority. We always receive excellent feedback from nominees who have been given a Respite and Welfare Break. The process for Recovery, Welfare and military charities to follow is very straightforward and you are invited to look online for our application form.

ABOUT THE VSC

The VSC is a registered Charity, based a stone's throw away from Marble Arch Tube Station. It provides a place for Service personnel, Veterans, and their families to meet.

We have 200 bedrooms, all of which have been modernised and refurbished during recent years, plus an attractive contemporary bar, restaurant and a number of function rooms that can cater for large or small conferences or social events. Our bedrooms vary in their shape and size to provide what our members need, from a small single room to a larger double, family room, or room for those with restricted mobility.

A TYPICAL BREAK INCLUDES:

Two nights' accommodation

Lunch and dinner in the Club

A full English breakfast for each morning of your stay

Tickets to a top London attraction

“The staff and facilities at the Club have both been excellent. Staff are kind, approachable and very helpful. The Respite & Welfare package me and my family have enjoyed is simply amazing.”

“Can’t fault anything! All of the staff were superb, and the food was excellent, including the vegan options!”

“Thank you so much, we have really enjoyed this Respite and Welfare Break. The facilities and staff at the VSC were first class and we look forward to visiting again. The VSC have made me feel valued and important and I am indebted, and we very much appreciate this kind and generous Respite and Welfare Break.”
