

Respite & Welfare Breaks

Real Support, Real Impact

The Victory Services Club exists to **alleviate hardship and distress** within the Armed Forces Community. Central to this mission is providing **Respite & Welfare Breaks**, supporting those facing **serious illness or significant welfare issues**.

Respite & Welfare Breaks offer nominated personnel a two-night stay at The Victory Services Club; all meals and non-alcoholic refreshments; tickets to a leading London attraction; and most importantly, a safe, understanding environment within the military community.

Each break costs **£750** and allows couples and families the opportunity to step away from daily pressures, focus on recovery, and reconnect together. For many beneficiaries, these Breaks would not be possible without charitable support.
